

**FULL DOCUMENTATION AND QUOTATION  
FOR MARINE AUXILIARY ENGINES OR GENSETS  
... READY IN 5 MINUTES**

**Marin  
PRO**

**7 CLICKS AND 5 MINUTES  
IS REALLY ALL IT TAKES!**

Marin PRO – your online  
genset configurator. Free,  
fast and easy-to-use.

# HOW IT WORKS...

## CONFIGURE ENGINE

Our wizard guides you through the main configuration choices. From application and certificates to frequency, voltage and needed power.

## SELECT OPTIONS

Add needed accessories and options to your configuration. From classifications and monitoring system to fuel filters and extended warranty.

## DOWNLOAD

Instantly download a complete documentation package including technical specifications, installation manuals and much more.

## QUOTATION

Request a quotation and your nearest local dealer will send you an offer with the price and other contractual terms within a few hours!
